## Mission

To develop model programs and self-sustaining learning communities that engage students from all backgrounds in doing mathematics at a high level.

## Core Programs

Mathworks is a center for innovation in mathematics education at Texas State University.

Our core programs are:

- Honors Summer Math Camp
- Junior Summer Math Camp
- Teacher Training
- Curriculum Research & Development

## Mathworks

### Faculty & Staff

Max Warshauer, Director  
Terry McCabe, Associate Director  
Andrew Hsiao, Program Specialist  
Patty Amende, Accountant

## Advisory Board

Herb Carter  
Howard Falkenberg  
Jeffrey Kodosky  
Robert G. Rutishauser  
Jim A. Smith

## Support the Honors Summer Math Camp!

The "Admission" Essay Competition

## September 2012

In this issue:

- Mathworks Math Contest (MMC)
- Mathworks Fellows at Miller Middle School
- Extra Math Opportunities During The School Year
- Mathworks Curriculum Textbooks Available For Purchase
- International Visitor to the 2012 HSMC

## Mathworks Math Contest

The Mathworks Math Contest (MMC) is a fun test for middle school students. It is free and any interested student can take it! Please have your school's math club/team sponsor, or your math teacher, [register your school here](#). We ask that interested math teachers administer this year's test on October 31st.

The MMC:

- Drives interest in doing mathematics
- Develops problem-solving skills through engaging problems
- Offers mathematical experiences beyond typical middle school curricula

In addition, the MMC:

- Identifies promising students to *apply* to the [residential Junior Summer Math Camp](#)
- Is part of the selection process for the Mathworks team that competes in the international Primary Math World
