Mission

To develop model programs and self-sustaining learning communities that engage students from all backgrounds in doing mathematics at a high level.

Core Programs

[Mathworks](#) is a center for innovation in mathematics education at Texas State University. Our core programs are:

- Honors Summer Math Camp
- Junior Summer Math Camp
- Teacher Training
- Curriculum Research & Development

Support math learning opportunities for all students

January 2013

In this issue:

- A new year, new semester for Mathworks
- Half-day JSMC in Austin!
- Spring semester Mathworks Fellows
- Mathworks faculty visit Indonesia
- "A Modest Proposal Research Base" from the *Notices of the American Mathematical Society*
- Work for curriculum state adoption continues
- Mathworks Curriculum in Zambia
- HSMC alumni update

Happy New Year!

Wishing you a great 2013! We are busy gearing up for our summer math programs while also continuing our curriculum implementation at Miller Middle School. Read more below about all the work we are doing to raise the level of mathematics education through our integrated programs!

NEW: half-day JSMC in Austin!

For 2013, we are excited to announce the launch of a half-day Junior Summer Math Camp in Austin! This camp will be held at the [Texas State University Round Rock campus](#), June 10 - 21.

We are offering one class each of levels 1 - 3.
