Mission

To develop model programs and self-sustaining learning communities that engage students from all backgrounds in doing mathematics at a high level.

Core Programs

Mathworks is a center for innovation in mathematics education at Texas State University. Our core programs are:

- Honors Summer Math Camp
- Junior Summer Math Camp
- Teacher Training
- Curriculum Research & Development

Support math learning opportunities for all students

November 2013

We wish all our friends a Happy Thanksgiving and thank you for your support of Mathworks!

- Mathworks at Math Department Open House
- Mathworks students present research at Math Department Seminar
- Siemens Competition Regionals at UT-Austin
- 2013 Mathworks Math Contest Results
- 2014: 25th anniversary of Mathworks
- External scholarship opportunities

Texas State Math Department Open House

More than 100 faculty, students, and prospective students were in attendance November 8th during Texas State University's Math Department Graduate Studies Open House.

The day featured seminars, panels, Math In The Picture Contest, and a poster session. Mathworks was represented at the poster session, giving prospective students information about the engaging research opportunities through Mathworks programs. This includes research related
