## Mission

To develop model programs and self-sustaining learning communities that engage students from all backgrounds in doing mathematics at a high level.

Mathworks is a center for innovation in mathematics education at Texas State University. We conduct research of and develop model programs in the areas of:

- Summer Math Programs
- Teacher Professional Development
- Curriculum Development

## February 2014

- Apply now to our summer math programs!
- Recent grants and donations
- San Marcos SOAR STEM Education Fair
