Mission

To develop model programs and self-sustaining learning communities that engage students from all backgrounds in doing mathematics at a high level.

Mathworks is a center for innovation in mathematics education at Texas State University. We conduct research of and develop model programs in the areas of:

- Summer Math Programs
- Teacher Professional Development
- Curriculum Development

Support math learning opportunities for all students

RGK Foundation Makes \$400,000 Pledge to Mathworks Endowment

L to R: Christina Collier, Executive VP of the RGK Foundation; Max Warshauer, Director of Mathworks; Kate Harlsem of the KLE Foundation

The RGK Foundation has pledged a \$400,000 donation to support the Mathworks Legacy Campaign. Funds from the endowment will provide resources to support Mathworks research and research-based programs for students, teachers, and curriculum development. The RGK Foundation's donation will also help to complete the \$1.5 million Kodosky Foundation match challenge for the Legacy
