Mission

To research and develop model programs and self-sustaining learning communities that engage students from all backgrounds in doing mathematics at a high level.

Mathworks is a center for innovation in mathematics education at Texas State University. We conduct research of and develop model programs in the following areas:

- Summer Math Programs
- Teacher Professional Development
- Curriculum Development

Support math learning opportunities for all students

2015 Junior Summer Math Camp is one week away!

The 2015 Junior Summer Math Camp will start on June 8th, Monday! We will host approximately 200 students at the San Marcos High School, and another 80 students at the Round Rock campus of Texas State University. We are excited to be working with all these eager students! There is a Parent Open House the morning of June 17th, Wednesday. The closing BBO will be held on June 19th, Friday.
