## Mission

To research and develop model programs and self-sustaining learning communities that engage students from all backgrounds in doing mathematics at a high level.

Mathworks is a center for innovation in mathematics education at Texas State University. We conduct research of and develop model programs in the following areas:

- Summer Math Programs
- Teacher Professional Development
- Curriculum Development

## Support math learning opportunities for all students

## Summer 2015

- Undergraduate Fellows
- Graduate Students Conducting Mathematics Education Research
- Junior Summer Math Camp - San Marcos
- Junior Summer Math Camp - Round Rock
- Residential JSMC
- Primary Math World Contest
- Honors Summer Math Camp

## Undergraduate Fellows

We had 30 Texas State University undergraduate students work as "Fellows" in our 2015 Junior Summer Math Camp program. This included 22 Fellows at the San Marcos site, and 8 Fellows at the Round Rock site. These undergraduates gained valuable early classroom teaching experiences and worked with students of varying mathematical backgrounds. One of the fellows said, "I love Mathworks! In my future classroom I would love for the district to adopt this
