UPPS No. 07.04.01 – Expressive Activities Policy

The [University Policy and Procedures \(UPPS\) No. 07.04.01 – Expressive Activities Policy](#) applies to signs and electioneering near polling places during early voting periods and on election days.

Designated Places for Signs and Outdoor Spaces for Electioneering

Student Involvement & Engagement (SI&E) designates one or more places near the polling place where persons may place signs for or against any candidate, measure, and/or political party.

- As provided in state law ([Election Code § 62.013](#)), these signs must be at least 100 feet from the outside door through which a voter may enter a building in which a polling place is located.
- The designated areas will be large enough to accommodate a reasonable number of signs.
- To accommodate all signs, the SI&E may limit the number of signs that may be placed in the designated areas by a candidate or by the proponents or opponents of a measure being voted on at the polling place.
- SI&E has designated the LBJ Student Center Mall, LBJ Student Center Bus Loop, Quad Area, Bobcat Trail, and Encino Hall as the locations for signs at the LBJ Student Center polling place.

- The persons who place these signs may begin placing signs beginning Sunday, October 19, 2025 and must remove them on Wednesday, November 5, 2025 immediately after the election has ended.
