S.R 25-26.02

A Resolution-

1 To be known as a "Resolution to Add a Shuttle Delay Feature to
2 the TXST Mobile Application" which submits to improve student
3 awareness and enhance campus transportation efficiency by
4 creating a mobile app feature that allows bus drivers to
5 communicate delays in real time and;

WHEREAS: Many Texas State students, faculty, and staff rely on
the Bobcat Shuttle system as their primary mode of
transportation to, from, and around campus and;

WHEREAS: Shuttle delays due to traffic, mechanical issues, or
weather frequently occur and currently lack a reliable,
immediate communication method to riders and;

6 **WHEREAS:** Allowing shuttle drivers or dispatch personnel to input
7 and post delays directly to the app and would provide timely
8 updates and improve overall rider satisfaction; therefore,

9 **BE IT RESOLVED:** That the Texas State University Student
10 Government Association recommends that the University implement

11 a shuttle delay notification feature within the existing Texas
12 State mobile application and;
13 **BE IT FURTHER RESOLVED:** This action be forwarded to the Student
14 Body President for further action.
