A Resolution-

1   To be known as a "Resolution to Install Parking Counters &

2   Mobile App Integration" which submits for parking counters

3   installed into all university parking garages and for software

4   to be integrated into the "TXST" Mobile App for real time

5   tracking and;

6   **WHEREAS:** Parking availability continues to be one of the most

7   frequent concerns raised by Texas State University Students,

8   Faculty, and Staff and;

   WHEREAS: Excessive time spent searching for parking contributes

   to tardiness, increased fuel use, traffic congestion, and

   elevated stress levels and;

9   **WHEREAS:** Parking Counters, which track available spaces in real,

10 have successfully implemented at peer institutions across Texas

11 and the nation and;

12 **WHEREAS:** Integrating Real-Time parking data into the existing

13 Texas State Mobile application would provide a centralized,

14 accessible, and student-friendly platform and;

15 **WHEREAS:** Such technology aligns with the University's goals of

16 sustainability, efficiency, and student success; therefore,

17 **BE IT RESOLVED:** That the Texas State University Student

18 Government Association recommends the installation of parking

19 counters in all parking garages operated by Texas State

20 University and;

21 **BE IT FURTHER RESOLVED:** That the data from these counters be

22 integrated into the existing Texas State mobile application to

23 allow students, faculty, and staff to view real-time

24 availability of parking spaces and;

25 **BE IT FURTHER RESOLVED:** This action be forwarded to the Student

26 Body President for further action.
