

Parking Lot R15 will experience temporary traffic control to allow contractors to access/service Manhole "S" beginning on Tuesday, February 17, through Friday, February 20, 2026, from 7am to 5pm daily, for required maintenance on the campus electrical distribution system. Manhole "S" will have barricades/caution tape to sequester the work area. Access/Parking will be Open/Available and workers/traffic control utilized to ease entry/exit.
