COMMENCEMENT AT TEXAS STATE

Welcome to Texas State University's Commencement! In order to ensure your enjoyment and safety while visiting with us, please review the following information.

Live Streaming

For your convenience, the ceremonies will be streamed live on the commencement website at www.txst.edu/commencement. Recordings will be available for viewing at a later time.

Processional and Graduate Recognition

Candidates will seat themselves on the arena floor prior to the ceremony in order by degree level. During Graduate Recognition, candidates will cross in front of the stage from right to left.

Commencement and Graduation

Commencement is a ceremony in which preliminary degree candidates are recognized for their academic achievements. The commencement program reflects the name and degree of each graduate as well as the honors designation based on data available at the time of publication. Therefore, this program should not be considered an official list of graduates.

Guidelines for Candidates and Guests

Commencement is a significant and solemn event that celebrates years of academic achievement. In order to ensure that the ceremony is meaningful for all in attendance, please avoid all unnecessary conversation and movement. Also, please refrain from using air horns or other noisemakers during the calling of student names.

Recessional

At the end of the ceremony, all candidates will recess to Sewell Park. Guests should remain seated until all candidates have recessed. Then, guests are welcome to meet their candidates in the park near entrances 2 and 3. In the case of inclement weather, candidates will not process outside, but will leave their seats after the Platform Party has recessed.

Pride and Traditions

Commencement is an important rite of passage with many time-honored traditions. From the ceremonial mace to the gown worn by graduates, every detail of a commencement ceremony is steeped in pride and tradition. To read more about commencement traditions at Texas State, please visit <https://www.txst.edu/about/history-traditions/commencement.html>

TEXAS STATE NEXT Is Now

Experiential, career, and community engaged learning activities are applied learning opportunities that enhance degree programs and student activities across Texas State University's varied colleges and disciplines. Internships, clinicals, co-op courses, student teaching, Education Abroad, Study in America, and service learning are featured in many degree programs. In addition, research projects, outreach activities, student organizations, and career services engage students in extracurricular learning and service. Students gain practical experience and marketable skills when engaged in this way and often enjoy greater student success including improved retention, persistence, successful on time graduation, and better learning outcomes.

In January 2023, Texas State took applied learning opportunities to the NEXT level for students by opening the new Experiential, Career, and Community Engaged Learning (EXC²EL) Center. The EXC²EL Center encourages strategic support and growth in university-wide experiential, career, and community engaged learning and increases access to these opportunities for all undergraduate and graduate students. The purpose of the center is to support and help students with authentic, applied learning opportunities that will facilitate inquiry and deep learning. These opportunities help to promote student career readiness by enabling students to acquire and translate many marketable skills in “real world” settings and prepare students for graduate study. Further, the center plays a key role in helping Texas State to strengthen its community relationships by fulfilling community needs and building partnerships related to intellectual and key services these future professionals are learning.

EXC²EL will serve as a reporting unit for aggregating institutional data, on experiential, career, and community engaged learning. The center's wide community of practice will support faculty research in the areas of Scholarship of Teaching and Learning and the Scholarship of Engagement. The center has been strategically positioned and supported to yield benefit to the existing programming of this kind while facilitating additional growth in new academic areas. The EXC²EL Center will help our Texas State students excel in what is NEXT.

"The noblest search
is the search for excellence."

- Lyndon B. Johnson, Thirty-Sixth President
of the United States, 1963-1969
Texas State University Class of 1930

KEEP IN TOUCH. Bobcat alumni go on to impact communities across Texas and around the world. Make sure to visit alumni.txstate.edu and update your contact information so you always have access to the latest Alumni Association news.

ENGAGE ONLINE. Connect with us on Instagram, Twitter, LinkedIn, or Facebook for the latest information on alumni news and events, and a look into what is happening at Texas State. Want to start a conversation? Our groups on Facebook and LinkedIn also allow you to easily network and connect with thousands of Bobcat alumni.

TAKE ADVANTAGE OF CAREER SERVICES. As an alum, you have access to lifetime Career Services, including career counseling, resume and cover letter review, interview preparation, and career fairs.

STAY CONNECTED. Keep in touch with the Bobcats you know and meet the ones you don't by participating in one of our regional and affinity-based Alumni Networks or attending alumni or athletic events.

SHOW YOUR SUPPORT. Texas State wouldn't be the university it is today without the alumni who represent us and advocate for our mission long after graduation. Whether you choose to volunteer your time (we can connect you with opportunities across both of our campuses!), recruit prospective Bobcats, or give to the university during our annual Step Up for State event, there are always ways for you to support the Texas State community.

KEEP THAT MAROON AND GOLD ON HIGH. Your Texas State pride is endless. When you become a Forever Bobcat, not only are you demonstrating your Bobcat spirit, but you also gain access to exclusive opportunities and invest in our university's legacy. As a Forever Bobcat, you will help students succeed, and make it possible for Texas State to work toward a stronger, more sustainable future. To celebrate your achievement, a reduced rate is available exclusively for new graduates.

You have worked hard to earn your degree, and your alma mater is proud of you. Remember, "Once a Bobcat, Always a Bobcat," means Texas State will always be an important part of you, and you will always be an important part of Texas State.

Be active within your Alumni Association, demonstrate your Bobcat pride, and get to know more about us at alumni.txstate.edu. I wish you all the best in your endeavors, and I hope to meet many of you at alumni events. Again, we welcome you, congratulate you, and look forward to helping you maintain your relationship with Texas State University.

Once a Bobcat, Always a Bobcat!
