S.R.25-26.06

1

A Resolution-

2 To be known as "A Resolution to Improve Transparency and
3 Accessibility of University Policy Changes for Students"
4 relating to proactive notification, transparency, and
5 accessibility of university policy changes affecting students.

6 **WHEREAS:** The Student Government of Texas State University, on
7 behalf of the student body, seeks to ensure students are adequately
8 informed about university policy changes that affect their
9 academic and campus life; and,

10 **WHEREAS:** Recent changes to expressive activity and conduct
11 policies were implemented with "immediate effect," leaving no
12 window for student organizations to adjust their operations or
13 seek clarification; and,

14 **WHEREAS:** Effective communication of policy changes requires
15 accessible, student-friendly formats that encourage engagement and
16 understanding; and,

17 **WHEREAS:** The reliance on email as the primary notification method
18 causes important policy updates to get buried among dozens of other
19 university messages, making it easy for students to miss critical
20 changes; and,

21 **WHEREAS:** A multi-channel, simplified notification approach is
22 necessary to serve the diverse needs of the student body and
23 prevent further campus-wide misunderstandings; therefore,

24 **BE IT RESOLVED:** That the Student Government of Texas State
25 University urges the university administration to adopt the
26 following Articles of Transparent Policy Implementation:

27 **ARTICLE 1:** Push notifications through the TXST mobile app for all
28 major policy changes affecting student rights, conduct, or
29 academic requirements, with each notification linking to a
30 student-friendly summary that highlights key changes, who is
31 affected, and what actions students need to take;

32 **ARTICLE 2:** A minimum 10-day implementation period between policy
33 announcement and enforcement for non-emergency changes, allowing
34 students time to understand and adapt;

35 **ARTICLE 3:** Town halls and or Q&A sessions for significant policy
36 changes that affect student rights or campus life;

37 **BE IT FURTHER RESOLVED:** This legislation be forwarded to the
38 Student Body President for further action and implementation.
