[2025 Supervisor feedback for Stiritz Lori Lynn CALIPSO-1.pdf](#)

Additional Comments: Supervised all graduate speech-language pathology students in on-campus audiology clinic practicum.

Developed and Implemented New CAPD Therapy Clinical Protocols, Texas State University. Round Rock, TX. (April 1, 2015 - Present).

Additional Comments: I am the only person in the state doing the specialized DIID therapy with children who have Central Auditory Processing Disorders. I am one of the few people who will fit low-gain amplification on people with CAPD. These two remediations when combined, have shown to alleviate the learning problems associated with CAPD and in some cases, allow for neurotypical test results eliminating CAPD completely.

Guest Lecture, Speech Acoustics, CDIS Department. Round Rock, TX. 33. (January 23, 2026).

Additional Comments: Lecture presented annually.
January 2025

Peer Review Program, Mentor to Junior Faculty to Support New Course Development and Delivery, Department of Communication Disorders, Texas State University. 2. (June 2025 - Present).

Additional Comments: Consult to junior faculty on syllabus design, student learning outcomes, class goals and objectives, assignments, and class structure.

Supervised ASHA-Required Undergraduate Observation Hours in Audiology, Clinical Educator for undergraduate students. Round Rock, United States. 4. (January 1, 2015 - Present).

Additional Comments: Provided clinical opportunities for the undergraduate aides enrolled in CDIS 4344 to obtain their Audiology Observation Hours. These are students who will be attending AuD programs for their graduate studies. Takes an additional 25 hours per student throughout the year with 2-5 student participating per year.
