Reading or math specialist

Experiences in Education (Secondary)

Teachers and teacher leaders for the secondary level (grades eight through twelve) complete the bachelor of science degree in education. Teacher certification is achieved with double major in one or more disciplines including human development and family studies; family and consumer sciences; art; speech; choral, band, mariachi, or string music; dance; theatre; English language arts and reading; history; social studies; French, Spanish, or German; agriculture, food and natural resources; life science; chemistry; mathematics; and physics. Students may participate in faculty-led study abroad or Study in America trips, learn with peers in Living and Learning Communities, develop a professional community at networking events, or join student organizations for a well-rounded experience.
