SB 38

*Effective 1/1/2026, **applies to eviction suits filed on/after this date.***

***Except:** Rulemaking authority for the Supreme Court took effect 9/1/25.*

5

Pre-Suit Notice

- For nonpayment of rent cases:
 - **Must give** “pay rent or vacate” notice if the tenant was **not previously late**.
 - **May give either** “pay rent or vacate notice” or “notice to vacate” if tenant **was previously late**.

6

Delivery of NTV

- Notices must be delivered using at least one of the following methods:
 - mail, including first class, registered, or certified mail, or a delivery service;
 - delivery to the inside of the premises, in a conspicuous place;
 - hand delivery to any tenant of the premises who is 16 years of age or older; or
 - if the parties have agreed in writing, electronic communication, including e-mail or other electronic means.
- If the tenant actually receives notice, method of delivery requirement doesn't apply.
- The bill essentially got rid of the old notice to vacate delivery procedures and made them simpler/easier for landlords.

7

Computation of Time

- Time periods for filings and notices include weekends and holidays, but if the last day falls on a weekend or state or federal holiday, the deadline moves to the next business day.
- ***This includes timeframes in notices to vacate.***

8

Computation of Time – Court

- Additionally, for any time period for filing an item with the court or paying rent into the registry, the time period extends to the next business day if the court is closed for all or part of the day. – Rule 510.4.
 - ***What does “part of the day” mean?***
 - ***Does it matter if the court is closed for calculating notice to vacate periods?***

Amber gives Rebecca a 3-day notice to vacate on Tuesday, July 1. What is the first day that Amber can file an eviction suit if Rebecca does not vacate the premises?

What if Amber gives Rebecca the notice on Thursday, July 3?

11

Thea places a notice to vacate under Jessica's windshield wiper on December 15th. She files suit on January 5th and it comes to trial January 22nd. Jessica appears and testifies she received the NTV. Thea proves her case otherwise?

Who wins?

12

NTV – Federal Laws

- **What the bill says:** If federal law requires a longer notice, the landlord can file suit after the state notice period, but cannot serve a writ of possession until the federal period expires.
- This will be at issue when things like the CARES Act, PTFA, and federally subsidized housing rules apply.
- **Problem:** The tenant arguably hasn't committed a forcible detainer until they fail to deliver possession back to the landlord after a proper demand has been made. How can this happen until the notice period runs?

13

NTV & Notice of Proposed Eviction Timeframes May Run Concurrently

- If the lease or applicable state or federal law or rule requires a landlord to give a tenant an opportunity to respond to a notice of proposed eviction before filing an eviction suit:
 - the notice period in a “notice to pay rent or vacate” or “notice to vacate” may, at the landlord's discretion, run concurrently with the period provided for the tenant to respond to the notice of proposed eviction; and
 - the “notice to pay rent or vacate” or “notice to vacate” may include the required opportunity to respond to the notice of proposed eviction.

14

NTV & Notice of Proposed Eviction Timeframes

- Examples

- Examples:
 - The 10-day notice of delinquent rent in manufactured home eviction cases for non-payment of rent can run concurrently with the NTV. So, if the 10-day notice is required and there is a 3-day NTV, the NTV can be given at any point during the 10-day period, and they can run together. An eviction case can be filed if both periods have expired. The landlord does not need to give the 10-day notice, wait those 10 days, and then give the 3-day NTV and wait 3 more.
 - Subsidized housing also often has notices of proposed eviction, and those periods can also now run concurrently with whatever NTV period is required.

15

Petition – Rule 510.6

- A court may **not** adopt local rules, forms, or standing orders for eviction suits that:
 - require content in or with the petition other than the content required by the TRCP; or
 - authorize the dismissal of an eviction suit on the basis that the petition is improper if the petition meets the requirements of the TRCP or can be amended to do so.
- Petitions must include what type of pre-suit notice was given, and whether the defendant had previously been delinquent in rent.
- Additionally, the petition must state if they are including a motion for summary disposition for a forcible entry & detainer

16

Service of Citation and Petition

- Sheriff/constable must make diligent effort to serve the citation and petition not later than the 5th business day after the petition is filed.
- If not served on/before 5th business day, landlords may use other law enforcement officers *who have received appropriate training in the service of process, eviction procedures, and the execution of writs as determined by the Texas Commission on Law Enforcement (TCOLE)*.
- If plaintiff is calling the court about the status of service, they will refer them to you since the return won't be on file yet

17

What if the citation isn't issued/sent to the constable/sheriff right away?

- This will make it very difficult to hit the serve within 5 business days deadline.
- *Courts:* Make sure citations are issued and sent ASAP.
- *Constable Offices:* Document when you receive them and do your best.
- *Everyone:* Talk to each other and work together!

18

Practically, who else other than a constable or sheriff's office could serve eviction papers?

- Likely very limited, because other agencies are busy and most won't have the desire, time, and/or resources to take the required training.

19

What About Fees?

- The Rules specifically say that the plaintiff won't be entitled to a refund of any service fees paid, and will be responsible for paying whatever charge the other officer requests.
- What if the citation never gets worked at all?

20

Summary Disposition – New Expedited Version

- Current summary disposition procedures almost never apply to eviction cases due to how long summary disposition motions must be on file before being considered and the timeframe in which an eviction must be heard.
- Now there is a new expedited summary disposition procedure only for evictions – but ***only for Forcible Entry & Detainer/Squatter cases***
 - If one of these is filed in a case where the defendant is **not** a squatter, it must be denied even if the court believes the landlord will win at trial.

21

Summary Disposition – Definition of Squatter

- Prop Code Sec. 24.001: A person commits a forcible entry and detainer (FED) if the person enters the real property of another without legal authority or by force and refuses to surrender possession on demand.
- It does **not** count as a FED if the person enters with the consent of:
 - A person in actual possession of the property;
 - A tenant at will or by sufferance; or
 - A person who acquired possession by forcible entry (a squatter).

22

Summary Disposition – Notice in the Citation

- The following notice must be in English & Spanish on the first page in **bold and conspicuous print**.

The petition includes a motion for summary disposition. If the motion shows there are no genuinely disputed facts that would prevent a judgment in favor of the landlord, the court may enter judgment in favor of the landlord without a trial unless:

- (1) not later than the fourth day after you are served with the landlord's sworn petition, you file a response setting out supporting facts and any applicable documents on which your response relies; and
- (2) the justice court determines that service on you was proper and, based on the landlord's sworn petition and your response, there are genuinely disputed facts that would prevent a judgment in favor of the landlord.

23

Application of Rules

- Rule 510.1 now states that courts cannot apply other rules of procedure or evidence and cannot overrule Rule 510.

24

Trial Deadlines and Timeframes

- Now, trials may not be set before the **4th** day after service (used to be 6th day). – Rule 510.15(b)
- Jury requests must be made no later than the 3rd day before trial or the 3rd day after service of the citation, whichever is later. – Rule 510.15(c)
- Same timeframe as jury requests for requests for a different judge because a fair trial cannot be obtained (old Fair Trial Venue Change rule). – Rule 510.13(a)
- The court may vacate or modify the judgment until an appeal is perfected or the appeal window closes – Rule 510.24(a)

25

Default Judgment

- Default judgments must now also be emailed to the defendant, if an email address is known, in addition to mail to the defendant at all addresses.
 - Rule 510.16(c)
- Also, the plaintiff must serve the default judgment on the defendant by email, if address known, and otherwise by any method authorized by Rule 510.5.
 - Rule 510.16(b)

26

Immediate Possession Bond

- The plaintiff may file an immediate possession bond, and the citation or a subsequent notice must alert the defendant that a bond is filed and that the consequences. – Rule 510.9(a),(b)
- If a bond is filed and approved, the plaintiff can get a writ of possession immediately after judgment, and it may be executed if the notice was served at least 7 days prior, and if the judgment was by default, the plaintiff has completed service of the default judgment. – Rule 510.9(c)
- A writ may not be issued if the defendant has perfected an appeal and paid rent into the registry. – Rule 510.9(d)

27

Writs of Possession

- *Clarification:* A court does not have discretion over whether or not to issue a writ of possession. If the requirements are met and no other law bars it, then it must be issued.
- Writ is issued by justice **or county court** as applicable.
 - Writ for failure to pay rent – clarified that applies if not paid at any point as due during appeal, not just if initial payment not made.

28

Writs of Possession – Service

- Service of writ must occur within 5 business days from issuance of the writ, or landlords may use other trained officers.
- TJCTC interpretation is that “service” means service of the initial notice, but others have argued that it means complete execution of the writ.
 - In the end, this shouldn’t matter if you’re moving forward and coordinating with the plaintiff.

29

What Issues Do You See With Another Officer Serving Writs of Possession?

30

Writ of Possession Execution Fees?

- The provision about plaintiffs not getting a service fee refund is not included in the Rule about writs of possession. Be sure to document any work you do on a writ and all communications with the plaintiff about timeframe to execute the writ.

31

Appeals

- Appeals from justice courts (bond, cash deposit, or statement of inability to pay) must be filed within 5 days (*clarification for all appeal types/codification of current rules*).
- Tenants must affirm, under penalty of perjury, “the tenant's good faith belief that the tenant has a **meritorious defense** and that the appeal is **not for the purpose of delay.**”

32

Rent During Appeals

- If appealing, tenants must pay one rental period's rent into the court registry within 5 days and continue to pay as due during the appeal – **in whichever court the case is pending at the time of payment.**
- **No longer just for nonpayment of rent cases**, and covers all appeal types, **including cash deposits.**
- Courts must disburse these funds to the landlord on request (will usually happen in county court).

33

Rent During Appeals - Amount

- Amount in rental agreement.
- If no amount in a lease, the court must determine the “pay period” and the amount to be paid per period using the following standard:
 - Greater of \$250, or
 - Fair market value as determined by the court.
- Either party can file a motion to reconsider the amount of rent during the pendency of appeal.

34

Notice Regarding Rent on Appeal – Rule 510.19(b)

- If a tenant appeals, the court must give a notice for the initial and subsequent rent deposits of:
 - the **amount of rent to be paid** into the justice court *or county court* registry,
 - **how** the payment can be paid,
 - the **calendar date** by which it must be paid,
 - the **time the court or county clerk’s office, as applicable, closes** (if before 5 pm), and
 - a statement that **a writ of possession may result without a hearing** if they do not pay into the registry.

35

County Court - Timeframe

- County courts must hold a trial **within 21 days** after the date the transcript and original papers are delivered to the court.

36

SB 1333 – “Squatter Bill”

Penal Code § 28.03(b), 32.56, 32.57

- New Criminal Offenses
 - Criminal Mischief (while trespassing)
 - False, Fraudulent, or Fictitious Document Conveying Real Property Interest
 - Fraudulent Sale, Rental, or Lease of Residential Real Property

Property Code Ch. 24B

- Immediate Removal & Action for Wrongful Removal

37

If an owner does the immediate removal procedure, could law enforcement also pursue criminal trespass charges?

- Yes. This new removal process does not limit owners’ other legal rights or law enforcement’s authority to arrest for other crimes (criminal trespass, eviction, etc.).

38
