

The required RESEARCH SECURITY PROGRAM training is available online via the [Collaborative Institutional Training Initiative \(CITI\)](#). Once investigators complete the tutorial, CITI records your certification and then provides a record to Research Compliance and Integrity.

If you previously created an account in CITI:

- Visit the [Collaborative Institutional Training Initiative \(CITI\)](#) website.
- Click “LOG IN THROUGH MY ORGANIZATION”
- Login with your NetID username and password.
- Click “View Courses” box next to “Texas State University”
- On your home page, under “Learner Tools for Texas State University” click “Add a Course”
- On the next page, scroll down and select the appropriate selection to **Question 9 – Research Security**; then click **Submit** to enroll.
- Follow the prompts to complete the tutorial and brief quizzes.
- You may print a completion certificate for your own records. The system will provide our office with a report of your training.

If you never created an account in CITI:

1. Visit the [Collaborative Institutional Training Initiative \(CITI\)](#) website.
2. Register and create your own username and password.
3. Select Texas State University as your institution.
4. Select the appropriate selection to **Question 9 – Research Security**; then click **submit** to enroll.
5. Follow the prompts to complete the tutorial and brief quizzes.
6. You may print a completion certificate for your own records. The system will provide our office with a report of your training.

Organizations listed here use "Single Sign On" (SSO) for CITI Program access.

SSO requires a username and password issued by the organization.

If your organization is not listed here, it does not use Single Sign On. Click on the "Log In" tab (if you already have a CITI Program account) or the "Register" tab (if you are new to CITI Program and creating an account for the first time).

To find your organization, enter its name in the box below, then pick from the list of choices provided.
