REQUEST FOR QUALIFICATIONS FOR
INDEFINITE DELIVERY-INDEFINITE QUANTITY FOR
GEOTECHNICAL, CONSTRUCTION MATERIAL TESTING, AND ENVIRONMENTAL
ASSESSMENT FOR
THE TEXAS STATE UNIVERSITY SYSTEM
RFQ No.: 758-26-00096

SECTION 1 – GENERAL INFORMATION & REQUIREMENTS

- 1.1 **GENERAL INFORMATION:** The Texas State University System (“TSUS” or “Owner”) on behalf of itself and its Member Institution is soliciting Statements of Qualifications (“Qualifications”) for the selection of a firm(s) to provide **Indefinite Delivery-Indefinite Quantity (“IDIQ”) Geotechnical, Construction Material Testing, and Environmental Assessment** services for planning, design, renovation and construction of facilities for TSUS and its Member Institutions, throughout Texas (“TSUS”; “Institution”, or “Institutions”), on an hourly fee or lump sum basis as needed by TSUS or its Institutions. Respondents shall provide geotechnical engineering, construction materials testing, and environmental assessment services for the projects designated by TSUS or its Institutions through written Task Order and shall perform its services by providing all necessary supervision, labor, materials, equipment, and supplies. The services performed will be at the direction of and on an “as needed” basis for TSUS or its Institutions. Anticipated services include those summarized under Paragraph 2.1. Other related, but not specifically named services, may be requested which are beneficial to TSUS or its Institutions in the delivery of or maintenance of facilities. The firm will render these services to TSUS or its Institutions as needed, with no minimum or maximum amount of services specified. In particular, the firm must be prepared to assign at least one person with significant related experience to be available as the point of contact for all oversight efforts at TSUS or its Institutions. An agreement with the selected firm(s) will be issued as an indefinite quantity contract with a **3-year initial term and an option for the Owner to extend the agreement for two (2) additional 1-year terms. The total value of the agreement will not exceed Five Hundred Thousand Dollars (\$500,000) for the total term of the agreement, including all extensions.** However, the Owner reserves the right to increase this limit. This solicitation sets forth the terms, conditions, and requirements for prospective Geotechnical, Construction Material Testing, and Environmental Assessment firms to be considered for this work. (Prospective firms are hereinafter referred to as “Respondents”).
- 1.1.1 Collecting Statements of Qualifications in response to this Request for Qualifications (“RFQ”) is the first step in selecting the Respondent. This RFQ provides the information necessary for Respondents to prepare and submit Qualifications for consideration and initial ranking by the Owner. In the next step the Owner will determine an initial ranking of the Respondents. If the initial ranking of the Respondents is reasonably conclusive, the Owner may make a “most qualified” selection based upon the written Qualifications only. If not, then the Owner may conduct interviews with a “short list” of Respondents.
- 1.1.2 The Owner may select up to five (5) of the top ranked qualified Respondents to participate in an interview with the Owner to confirm and clarify the Qualifications submitted and to answer additional questions. The Owner will then rank the interviewed Respondents in order to determine one or more of the most qualified Respondents.
- 1.1.3 After selecting the most qualified Respondent(s) the Owner will negotiate a suitable fee schedule for the services to be provided by the Respondent.
- 1.2 **PUBLIC INFORMATION:** All information, documentation, and other materials submitted in response to this solicitation are considered non-confidential and/or non-proprietary and are subject

to public disclosure under the Texas Public Information Act (*Texas Government Code*, Chapter 552.001, *et seq.*) after the solicitation is completed. The Owner complies with all statutes, court decisions, and opinions of the Texas Attorney General with respect to disclosure of RFQ information. Additionally, pursuant to the provisions of *Texas Government Code* Section 2261.253, the agreement resulting from this solicitation will be posted on the Owner's website. Without limiting the foregoing, the requirements of Subchapter J, Chapter 552, *Texas Government Code*, may apply to this solicitation and the Respondent agrees that the contract can be terminated if the Respondent entering into the contract pursuant to this solicitation knowingly or intentionally fails to comply with a requirement of that Subchapter.

- 1.3 **TYPE OF CONTRACT:** Any contract resulting from this solicitation will be in the form of the Owner's Standard Indefinite Delivery-Indefinite Quantity Professional Services Agreement, a copy of which will be provided to all Respondents selected for interviews or, in the case where no interviews are conducted, to the selected most qualified Respondent(s).
- 1.4 **CLARIFICATIONS AND INTERPRETATIONS:** Discrepancies, omissions or doubts as to the meaning of RFQ documents shall be communicated in writing to the Owner for interpretation. Any responses to inquiries, clarifications, or interpretations of this RFQ that materially affect or change its requirements will be posted by the Owner as a written addendum. All such addenda issued by the Owner before the proposals are due become part of the RFQ. Respondents shall acknowledge receipt of and incorporate each addendum in its Qualifications. Respondents shall be required to consider only those clarifications and interpretations that the Owner issues by addenda. Interpretations or clarifications in any other form, including oral statements, will not be binding on the Owner, and should not be relied on in preparing Qualifications. It is the responsibility of all Respondents to check the status of formal addenda five (5) calendar days before the submittal deadline. The deadline for the receipt of written questions and submittal deadline is stated in Section 2.4.
- 1.4.1 ADDENDA AND AWARD INFORMATION WILL BE ISSUED BY THE OWNER FOR THIS RFQ VIA THE ELECTRONIC BUSINESS DAILY WEBSITE AT THE FOLLOWING LINK: <http://www.txsmartbuy.com/sp> REFERENCE "BOARD OF REGENTS/TEXAS STATE UNIVERSITY SYSTEM – 758" AND THE RFQ NUMBER PROVIDED IN THIS SOLICITATION.
- 1.5 **SUBMISSION OF QUALIFICATIONS:**
- 1.5.1 The Qualifications must be received **at the address specified in Section 1.5.2 prior to the date and time deadline**. Please note that overnight deliveries such as FedEx and UPS arrive at a central location and may not be delivered to the specified location until after the time deadline. Respondents are advised to use other methods of delivery or, if using an overnight delivery service, to send the Qualifications a day earlier than usual. The Owner will not consider any response to this solicitation that is not received at the address specified by the deadline.
- 1.5.2 **DEADLINE AND LOCATION:** The Owner will receive Qualifications and HSP at the time and location described below.

- 1.7 EVALUATION OF QUALIFICATIONS: The evaluation of the Qualifications shall be based on the requirements described in this RFQ. All properly submitted Qualifications will be reviewed, evaluated, and ranked by a Selection Committee appointed by the Owner. The top five (5) or fewer ranked Respondents may be selected by the Owner for further consideration by participating in an interview wherein Qualifications will be presented and examined in further detail and where questions will be posed by the Selection Committee and answered by the Respondent.
- 1.7.1 Qualifications submittals should not include any information regarding Respondent’s proposed fees, pricing, or other compensation considerations as these will not be a factor in the selection of the best qualified Respondent(s).
- 1.8 OWNER’S RESERVATION OF RIGHTS: The Owner reserves the right to reject any and all Qualifications and re-solicit for new Qualifications, or to reject any and all submissions and temporarily or permanently abandon the solicitation. Owner makes no representations, written or

Accordingly, specific plans and representations by Respondents that appear to facilitate the State’s commitment to supporting VetHUB enterprises are required in the selection process. Failure to submit specific plans and representations regarding VetHUB utilization, or failure to address the subject at all, will be interpreted by the Selection Committee as an intention not to support the program and will disqualify the Respondent.
 - 1.13.1 A VetHUB Subcontracting Plan (“HSP”) is required as a part of the Respondent's Qualifications.
 - 1.13.2 The HSP information may be downloaded from the Texas State Comptroller’s website at the following URL link: VetHUBprogram@cpa.texas.gov

In addition, the section permits the purchase tax-free of a tangible service for use in the performance of such a contract if the service is performed at the job site and if "the contract expressly requires the specific service to be provided or purchased by the person performing the contract" or "the service is integral to the performance of the contract."

- 1.16 CERTIFICATION OF FRANCHISE TAX STATUS: Respondents are advised that the successful Respondent will be required to submit certification of franchise tax status as required by State Law (*Texas Tax Code* Chapter 171). The contractor agrees that each subcontractor and supplier under contract will also provide a certification of franchise tax status.

I. GENERAL:

A. Below are the Questions that were presented along with Answers to each in relation to this RFQ as of July 2, 2026:

- 1. Question:** May a respondent submit qualifications only for the services it directly provides, or is coverage of all three service disciplines required, including the use of subconsultants where necessary?

Answer: The Respondent's statement of qualifications must be fully responsive to all three requested services. The Respondent may propose the use of subconsultants for the provision of services it does not directly provide. However, the Respondent must be able to explain its relationship with these subconsultants when answering the criterion questions under Section 3 of the RFQ.

- 2. Question:** Are firms able to submit qualifications for only one of the three requested services, or are you expecting firms to include a full package with subconsultants for the remainder of the services that they are unable to perform in-house?

Answer: See reply to Answer No. 1.

- 3. Question:** If firms are only able to perform services on certain System campuses due to restrictions on a drive radius, are they able to submit qualifications for that service and specify the campuses at which they can perform work?

Answer: No. Respondents must be able to perform their services throughout the State of Texas.

- 4. Question:** 3.4.1 states "List no less than six (6) but no more than twelve (12) projects..." Is this six to twelve projects for the entire submittal or per service line?

Answer: The requirement to provide examples of past representative engagements for IDIQ Geotechnical, Construction Material Testing, and Environmental Assessment services of no less than six (6) but no more than twelve (12) projects under paragraph 3.4.1 refers to the entire RFQ solicitation, not the three individual named services. Ideally, the Respondent can provide two (2) to four (4) examples for each named service, although this is not a requirement. At a minimum and to be responsive to the solicitation, the Respondent should be able to provide at least one (1) example for each service.

I. GENERAL:

A. Below are the Questions that were presented along with Answers to each in relation to this RFQ as of 12:00 p.m., July 7, 2026:

- 1. Question:** What is the percentage goal for VETHUB?
Answer: The VetHUB percentage participation goal for this solicitation is one percent (1%).
- 2. Question:** Could you please provide a sample agreement or the applicable Terms and Conditions for our legal team's review?
Answer: A sample agreement will be provided to successful Respondents once a most qualified determination has been reached and before the agreement is executed.
- 3. Question:** Regarding the VetHUB Subcontracting Plan (HSP), is there a specific participation goal that must be met? If no goal has been established and we intend to self-perform the work, are we still required to complete the Good Faith Effort section (Section 5) of the form? Section 2, Declaration of Self-Performing or Subcontracting, states that only Pages 1 and 2 should be submitted, so we would appreciate clarification on whether Section 5 is required in this scenario.
Answer: See reply to Question No. 1, above, regarding the percentage participation goal. If the respondent intends to perform all of the services contemplated by the RFQ, then they need to complete the Declaration of Self-Performing or Subcontracting portion of the Comptroller's State of Texas Subcontracting Plan form accordingly. If the Respondent intends to use a subcontractor for any of the services contemplated by the RFQ, then the Respondent must demonstrate a good faith effort to contact those VetHUB subcontractors as directed under the Comptroller's Section 5: Subcontracting Plan – Good Faith Effort form.
