Term: 3 years + possible 2 - 1-year extensions	Agreement Value: \$500,000						
Closed Selection in Progress	CMR Services RFQ	Issued 4/21/26 Due 5/20/26	<table><tr><td>Name: Multipurpose Building One</td><td>Institution: Sul Ross State University, Eagle Pass, Texas</td></tr><tr><td>GSF: 40,000</td><td>Estimated CCL: \$35,500,000</td></tr></table> Sul Ross State University recently acquired a 43-acre parcel of undeveloped land in Eagle Pass, Texas, for a new university campus. This Project will construct the inaugural three-story 40,000 gross square foot building, including general instructional spaces, limited science labs, faculty offices, and student support spaces. The inaugural building shall be designed with economy and speed of delivery in mind. The Owner and Institution invite suggestions and solutions involving pre-fabricated building systems, components, and other such means to control costs and expedite construction. The Project includes all infrastructure required for the first building, including all utilities, roadways, two parking lots (approximately 420 spaces), and limited outdoor and shaded gathering areas.	Name: Multipurpose Building One	Institution: Sul Ross State University, Eagle Pass, Texas	GSF: 40,000	Estimated CCL: \$35,500,000
			Name: Multipurpose Building One	Institution: Sul Ross State University, Eagle Pass, Texas			
GSF: 40,000	Estimated CCL: \$35,500,000						
Closed Negotiation in Progress	A/E Services RFQ (for CMR)	Issued 4/7/26 Due 5/5/26	<table><tr><td>Name: Multipurpose Building One</td><td>Institution: Sul Ross State University, Eagle Pass, Texas</td></tr><tr><td>GSF: 40,000</td><td>Estimated CCL: \$35,500,000</td></tr></table> Sul Ross State University recently acquired a 43-acre parcel of undeveloped land in Eagle Pass, Texas, for a new university campus.
