

Omega Leo Medical Explorer Vision of Leadership

We prepare compassionate leaders who improve healthcare, strengthen the communities they serve, and inspire others through lives of service, integrity, professionalism, and continual learning.

The ultimate legacy of Omega Leo Medical Explorers **will not** be measured solely by the number of healthcare professionals it prepares, but by the character of those leaders, the lives they improve, and the lasting impact they have on their professions, their communities, and future generations. Our leaders are an important part of this outcome.
