TEXVET LEGACY

TEXAS VETERANS LEGACY FOR TOMORROW

A TEXAS STATE UNIVERSITY VETERANS LEGACY INITIATIVE

HELP PRESERVE A VETERAN'S LEGACY

Every Veteran Has a Story.
Every Story Deserves to Be Remembered

The TexVet Legacy Project is partnering with Veterans, families, and communities across Texas to preserve the stories of Veterans laid to rest in Texas Veterans cemeteries.

Through recorded conversations, historical research, photographs, and family memories, we create permanent digital biographies that honor Veterans and preserve their legacies for future generations through the Veterans Legacy Memorial and the Texas State University Digital Repository.

WE ARE LOOKING FOR

- Veterans
- Gold Star Families
- Veterans spouses and family members
- Friends who knew a veteran
- Individuals with photographs, letters, journals, or military memorabilia
- Anyone who wants to help preserve a Veteran's story

WHAT PARTICIPATION LOOKS LIKE

- Meet with a member of the TexVet Legacy team
- Share memories, photographs, and stories
- Participate in a recorded interview
- Review the completed biography before publication
- Help create a permanent public legacy

PARTICIPANTS RECEIVE

- A permanent digital biography
- Preservation of family history
- Opportunity to honor a Veteran
- Recognition in the Veterans Legacy Memorial
- The lasting impact of ensuring a life of service is never forgotten
- Monetary honorarium for those eligible

YOUR STORY WILL HELP

- Honor a Veteran's service
- Preserve Texas military history
- Educate future generations of students
- Expand the Veterans Legacy Memorial
- Strengthen understanding between military and civilian communities

WHY FAMILIES PARTICIPATE

Many families tell us that sharing their Veteran's story becomes an opportunity to reflect, remember, and ensure that future generations know not only how they lived and served, but who they were and what they stood for.
