Soccer teams vie

Mid-season standings in the Austin Municipal Soccer League, the city men's league, find three teams in a close battle for first place in Division I.

America has a slim lead, but has played one game less than Shiner and the Playboys, who are one and two points behind.

YMCA and UTJV clenched the titles in the leagues's two second divisions, which will be re-organized for spring play.

The top six teams in each of the second divisions will form the new Division II, and the remaining teams will become Division III.

After a holiday break, Sunday league games will resume Jan. 22 at Zilker Park.

Following are the standings, listing wins, ties, losses and total points. The standings are computed on the international system which allows two points for a victory, one point for a tie and no points for a loss.
