DEGREE PROGRAM OFFERED

Bachelor of Social Work (BSW), major in Social Work

MINOR OFFERED

Social Work

The Bachelor of Social Work with a major in Social Work, which is fully accredited by the Council on Social Work Education, prepares students to engage in entry-level social work practice, to apply for state social work licensure, and to pursue graduate social work studies. Social Work students must maintain high scholastic standards. They must also develop the capacity to work with people from all walks of life and be sensitive toward all people and the many problems they face.

Admission Process

The Social Work degree requires 54 hours in Social Work and 9 hours in supportive Social Sciences, and builds on liberal arts and general education core foundation. The Social Work curriculum is based on and interwoven with the liberal arts/general education core foundation consisting of 54 semester credit hours. The Social Work major does not require a minor. Students progress through the major in three phases, without regard to disability. A social worker must be emotionally and mentally stable, must have strong

communication skills, must have solid interpersonal relationship-building skills, and must conform to professional ethics. Faculty evaluate whether students meet these criteria and may advise a student at any point to continue in the BSW major or consider another major.

Phase I: (Pre-Social Work Major). Any student may declare a pre-social work major and may enroll in SOWK 1350, 2375, as well as SOWK elective courses. Social work pre-majors should complete most of their general education core/liberal arts courses before applying to Phase II of the Social Work major. They must complete at least 45 credit hours, including the following: BIO 1320, 1421; COMM 1310; ENG 1310 and 1320; HIST 1310, 1320; MATH 1315 or 1319; PHIL 1305 or 1320; SOWK 1350 and 2375; and US 1100, if required. **Biology is the only acceptable natural science for admission to the BSW major regardless of core curriculum requirements.** Applicants must have a minimum 2.50 overall GPA and a minimum 2.75 GPA in SOWK and supportive courses (**biostatistics, ENG 3303 or ENG 3304, and PSY 3332**) to apply for Phase II. Students interested in Social Work must contact the College of Applied Arts Academic Advising Center for advisement.

Phase II: (Social Work Major). Students submit a formal application for admission to Phase II. **Applications are due to the School of Social Work office by 5:00 p.m. on the third Monday of November for spring admission to the major or the fourth Monday in April for fall admission to the major.** An admission committee screens applicants, considering academic record and suitability for social work practice, and informs applicants in writing of their decision to admit, conditionally admit, or deny admission. When students are admitted to Phase II, their formal academic major is converted from Pre-Social Work to Social Work.

Admission into Phase II does not guarantee permission to remain in the degree program. Social Work faculty will continuously assess a student's progress. To be retained, the student must maintain the required minimum **Texas State** GPA of 2.50. Students must also earn a minimum grade of "C" in each social work course and each supportive course. **The School of Social Work outlines the academic progress and advancement to graduation in relation to retaking major sequence coursework in the student handbook.** To remain in Phase II, students must also adhere to the NASW Code of Ethics and demonstrate emotional or mental stability, adequate communication skills, interpersonal relationship skills, and high levels of self awareness.

Phase III: (Field Placement) Students who have completed all required courses for the BSW, excluding SOWK 4645 and 4650 (Field Placement), and who have met all the requirements noted above may apply for field placement. Students apply for field placement with the School's Field Office.

The School prefers that students take SOWK 4645 and 4650 during the same semester, which requires that the student limit his/her enrollment that semester to field placement, totaling 12 hours. Under exceptional circumstances, students may request permission **from the Field Coordinator** to take SOWK 4645 and 4650 over two consecutive semesters (6 hours each semester).

To be eligible for graduation a student must complete all degree requirements and must have a minimum Texas State GPA of 2.50 with a GPA of 2.75 in social work and supportive courses. Students seeking either a dual degree or a second bachelors' degree in Social Work will need to complete all requirements for the BSW degree totaling 54 hours for the major, to include 12 hours in field internship, 14 hours in modern languages, 9 hours in supportive courses and the required biology curriculum. To be eligible for graduation a student must complete all degree requirements and must have a minimum Texas State GPA of 2.50 with a GPA of 2.75 in social work and supportive courses.

Liability Insurance

Students who participate in field placement must purchase liability insurance, or prove that they are insured. Students may obtain information on liability insurance from the School of Social Work office.

Minor in Social Work

A minor in Social Work requires 18 semester hours, including SOWK 1350, 2375, 4355, and 9 semester hours of SOWK electives from 2320, 3312, 3332, 3339, 4310, 4315, 4318, and 4320. The Social Work minor makes students aware of our society's problems, conditions, and value systems, while enhancing their growth in their chosen major fields. The minor does not prepare students for professional social work practice nor for state social work licensure.

Courses in Social Work (SOWK)

SOWK 1350 is a prerequisite to all other social work courses except SOWK 2375, 3332, 3339, 4315, 4318, 4320, and 4355.
