*Chair and Professor-Smith. Professors-Henderson, Nelson, Peirce, P.C. Renfro. Associate Professors-Blevens, England, Fluker, Kelsey, Panol, Rao, R.B. Renfro. Instructor-Schumacher. Lecturers-Bajackson, Carlson, Niekamp.*

The Department of Mass Communication offers a curriculum that introduces students to the broad framework of mass communication, emphasizing what is common and fundamental to advertising, broadcasting, print journalism and public relations.

The mission of the department is to produce graduates who understand mass communication and the role of mass media as social institutions, and who are capable of applying general theoretical concepts and technical skills to work successfully in the communication professions. Students may earn a Bachelor of Arts in mass communication-advertising, mass communication-electronic media, mass communication-general, mass communication-print journalism or mass communication-public relations.

Students may gain experience by working in student media and through internships outside the department. They also have the opportunity to participate in intercollegiate competitions.

### Major

To earn a **Bachelor of Arts degree in Mass Communication**, students must complete 128 semester hours, which includes the general education requirements plus 33 hours in Mass Communication and an 18- to 24-hour minor outside the department. A passing grade in the department's Grammar, Spelling and Punctuation test(see below) must also be earned. Also, a grade of "C" or higher must be earned in all Mass Communication core courses and courses that serve as prerequisites. No more than 39 hours of Mass Communication may be counted toward degree requirements.

Because 21 hours of the 33-hour Mass Communication major must be advanced (junior-senior) hours, community college transfer students may apply no more than 12 semester credit hours of mass communication transfer courses to their degree. Transfer students from four-year institutions may apply no more than 15 semester credit hours of mass communication transfer courses to their degree.

### Special Requirements

1. General education core curriculum options should be discussed with the Mass Communication academic advisor. Requirements and choices are listed in the University College section.
2. Requirements for students seeking to become public school teachers, as mandated by the state, differ slightly from those required for other mass communication students. Students should consult an academic adviser in the College of Education in order to meet both university degree and state teacher certification requirements.
3. The Bachelor of Arts degree requires English literature, college-level modern language and math/science/logic/computer science courses in addition to the general education core curriculum.

4. Any student admitted to SWT may declare and be admitted to the program under a temporary status called pre-mass communication. Once a student has accumulated at least forty-five credit hours and meets the requirements outlined below, the student will be admitted to the department in major status. Students who fail to meet these requirements will not be admitted to the major. A letter grade of a "C" or higher in the following courses or their equivalents: ENG 1310, ENG 1320, COMM 1310 and MC 1301. An overall GPA of at least a 2.5 on a 4.0 scale. A passing score on the department's grammar, spelling and punctuation (GSP) test. Students who have not met the university's computer literacy requirement will need to complete CS 1308 or its equivalent with a letter grade of "C" or higher.

Students who started their college work at SWT may accumulate no more than 12 hours of Mass Communication courses without passing the GSP. Transfer students may take no more than 6 hours of Mass Communication at SWT without passing the GSP.

The Grammar, Spelling and Punctuation test (GSP) is given by the SWT Testing, Research-Support and Evaluation Center. The test is administered by the Testing Center at 1:00 p.m. most Mondays and 10:00 a.m. most Tuesdays. The test fee is \$25. Because the GSP may be taken only three times, remedial help is available and recommended. Contact the Mass Communication Academic Advisor at (512) 245-2656 for more information. Students with disabilities should call SWT's Office of Disability Services at (512) 245-3451 to inquire about accommodations in taking the test.

5. Advising. In an effort to promote the academic welfare of all Mass Communication students, the department requires that all pre-major mass communication majors be academically advised each semester before they register. The advisor is available year round to assist all Mass Communication students with academic issues and concerns. Students should contact the Mass Communication Academic Advisor at (512) 245-2656 to schedule an appointment.

The School of Music prepares individuals for careers in music and music education, and gives all students the opportunity to develop musical skills and cultural understanding. Courses are offered in individual and ensemble performance, music education, history, literature, theory, composition, jazz, and sound recording. All university students, both music majors and non-music majors, are encouraged to participate in performing ensembles. However, due to the limited availability of private applied music instruction, as well as certain other music classes, the School may use the following criteria for determining students' access to music instruction:

1. studio/class space availability.
2. a student's overall musical talent, musical achievement, and performance/teaching potential as determined by audition; and/or
3. academic standing as represented by GPA and other appropriate indicators.

### Majors

The School offers the **Bachelor of Music with a major in Music** with all-level teacher certification, **Music - Performance**, **Music - Jazz Studies**, and **Music - Sound Recording Technology** and the **Bachelor of Arts with a major in Music**. Students entering the music major program must audition. Students interested in sound recording technology must complete an additional application.

Music graduates with teacher certification work as band directors, choir directors, orchestra directors, or general music teachers. Music Performance and Jazz Studies graduates perform, establish their own teaching studios, attend graduate school, or use their music degree as a foundation for their careers. Sound recording graduates work as sound recording engineers, producers, and technicians in the recording and entertainment industries. Bachelor of Arts graduates work in arts administration, musicology, librarianship, music therapy, and other music-related fields such as law, management, and sales. The choices of profession for a student completing a Bachelor of Arts or a Bachelor of Music are numerous.

### Admission Requirements

Freshman and Transfer Admission:

Admission to the School of Music is contingent upon admission to SWT. In addition to meeting University admission criteria, students intending to major in music must audition on their principal instrument or voice. Admission to the School will be based upon the audition and the available space in each studio. Moreover, a successful audition does not automatically ensure acceptance to SWT. Prospective music majors will not be permitted to enroll in applied music and other music major classes until successfully passing the audition.

Auditions are held periodically throughout the year for enrollment the following academic year. Those prospective music students unable to audition in person due to geographic distance from campus may submit an audio or video cassette recording representative of their performing abilities. Deadline for tape submission is April 1 (Fall admission) or November 1 (Spring admission). Audition requirements are available upon request and on the School of Music website.

## School Policies

Those planning careers in music must have a high level of musical skill and understanding. To help evaluate musical skills for counseling and placement purposes, the School of Music requires all music majors to take several examinations.

**Music Theory Examinations.** New music majors (freshman and transfers) must take a diagnostic examination in music theory to be assigned to the appropriate music theory class.

**Applied Music Examinations.** Music majors and minors enrolled for applied music will perform before a faculty committee at the end of each semester. Students who fail to appear for the scheduled examination will receive an "F" for the course. In case of illness or emergency, a grade of "I" will be given and the examination will be re-scheduled at the beginning of the next term.

**Piano Proficiency.** All music majors must pass a piano proficiency examination. Students seeking teacher certification must do so before student teaching. All other students must pass their piano proficiency before graduating. Students will enroll in class piano as their secondary instrument until passing the proficiency. Piano Proficiency requirements are available on request.

**Upper-Level Competency Exam.** The upper-level competency exam helps music majors select and pursue the most suitable career. On completion of four long semesters of private lessons in a major performance area, the total musical performance, music, and academic records are reviewed by the music faculty. This review is completed before the processing of a degree outline and before the student enrolls for 3000-level courses in applied music. The upper-level competency exam is offered at the end of each long semester. Specific information and requirements are available on request.

Transfer students with four or more semesters of applied study should complete the exam at the end of the first semester of applied music study at SWT, unless additional remediation is suggested by the studio teacher.

Students who are not recommended for junior standing (3000-level courses) in the major applied music area must continue to enroll for sophomore (2000-level) lessons in the area of performance study affected until the proficiency level is acquired. Normally, students who fail the upper-level competency exam a second time will not be eligible to enroll as music majors.

**Senior Recital.** A senior recital is required for undergraduate degree programs except Sound Recording Technology and the Bachelor of Arts. The senior recital may not be presented until the student is enrolled in senior level applied music (4000-level work) and has passed a hearing for the area faculty.

**Recital Attendance Requirements.** Each semester, various recitals and concerts are presented by students, faculty, and visiting artists. Attendance at such programs is an indispensable part of a quality musical education. All music majors must enroll in the Departmental Recital and attend the required number of weekly Departmental Recital Convocations. Also each music major must attend a minimum of eight (8) evening or weekend performances each semester. Each music major must complete this recital attendance requirement for a minimum of eight semesters (seven semesters for those seeking teacher certification) prior to graduation. In addition, applied music teachers may require attendance at all recitals in the individual performance area of each student.

**Student Teaching Requirements.** Before being allowed to enroll for student teaching, music students must have: (1) completed all major coursework for the degree with a “C” or higher; (2) presented the senior recital; (3) passed the piano proficiency examination; and (4) fulfilled the requirements for teacher certification as determined by the College of Education.

**Ensemble Requirements.** All music majors (except SRT and BA majors) must participate in the appropriate major ensemble(s), band, choir or orchestra each semester. At the discretion of the primary applied teacher, majors and minors may also participate in small ensembles. Music majors may contact the School of Music for a list of ensembles fulfilling the ensemble and degree program requirements.

## General Curriculum Notes

The music curricula are demanding and time consuming. The School of Music has developed curricula to insure reasonable competence in all graduates. Those seeking teacher certification should plan to attend at least four summer semesters and eight long semesters or to extend the program to five years, ten long semesters.

Students enrolled in certain applied areas are required to enroll in a studio ensemble. Credit is recommended but not required. General education core curriculum requirements and the proficiency exams for music majors may add to the number of credit hours required.

Careful consultation with the music adviser is necessary throughout the program. The course sequencing outlined are only guides; other course configurations are possible.

## Department of Theatre

Phone: (512) 245-2147      Office: Theatre Center 101  
 Fax: (512) 245-8440      Web: <http://www.finearts.swt.edu/theatre/index.htm>

*Chair and Professor-Sodders. Professor Emeritis-March, Professors- Hargett, Pascoe, Peeler. Associate Professors-Mayo, C. Ney, M. Ney. Assistant Professors-Espinosa, Fleming. Lecturers-Bishop, Charlton, Hovis, Jennings, Michell.*

The Department of Theatre provides classroom instruction in all phases of live theatre performance. That instruction is reinforced by students' participation in every area of theatrical production and performance.

### Majors

All theatre majors take a twenty-two hour core curriculum in the discipline, and then specialize in acting, design/technical, directing, musical theatre, or certification to teach in the public schools. Graduates earn a **Bachelor of Fine Arts with a major in Theatre** or **Bachelor of Arts with a major in Theatre**. Graduates of the theatre work as teachers, actors, designers, writers, producers, directors, and production workers in film, television, and in theatre. Many have gone on or to advanced degrees, preparing to teach at the college or university level.

### Special Requirements

Theatre majors must possess a 2.5 GPA to be eligible for casting in a major production and for admission into the Pre-Professional programs. Students who are admitted to Pre-Professional programs must maintain a 2.5 GPA to remain in the program. Students who fail to do so will be advised into another program.

## Bachelor of Arts Major in Theatre (Minimum Required: 128 semester hours)

Notes:

Students pursuing a BA may elect to major or minor in theatre. A major in this discipline requires completion of a minimum of 30 semester hours, with six additional hours strongly recommended. At least twelve semester hours must be at the 3000/4000 level. Students must declare an official minor. See the section of this catalog dealing with minors. The BA degree requires sophomore proficiency in a foreign language and completion of two semesters of the same laboratory science. Since the general education core curriculum requires 18 hours of writing intensive coursework, electives and minors should be selected with care. See section of catalog stating requirements for a Bachelor of Arts degree.

All theatre majors are required to participate in theatre production activities each semester, and BA students must enroll in TH 2111 a minimum of two semesters.
