

Flex Staffing Titles Chart

The following job series are authorized to be flexibly staffed:

Accounting Clerk I & II
Carpenter I & II
Computer Programmer I & II
Electrician I & II
Facilities Maintenance Worker I & II
Grounds Maintenance Worker I & II
Irrigation Tech I & II
Painter I & II
Plumber I & II
Steam and WW Operator I & II (added 8/10/07)
Utility Maintenance Worker I & II

Note: Flex staffing refers to a pair of titles within a job series which are very similar in function and competencies. Movement from the lower level title to the higher level title within each job series does not require Human Resources to conduct a reclassification audit. Normal promotion and reclassification implementation policies and rules still apply.

Please review [UPPS 04.04.11](#), University Classification and Compensation Policy, for additional information.
